## PROFESSIONAL SUMMARY

Product Marketing Manager with 3+ years driving user acquisition, brand growth, and engagement across fintech, travel, lifestyle, and mobility platforms in Nigeria. Proven track record of executing data-driven growth strategies, managing social media presence, organizing offline activations, and running experiments that delivered 30-200% improvements in user adoption and conversion. Experienced in go-to-market planning, content marketing, email campaigns, event marketing, customer behavior analysis, and cross-functional collaboration to scale digital products. Skilled at combining product insights with growth marketing tactics to drive measurable business outcomes. Ready to accelerate user growth and brand building for consumer-facing tech platforms.

## WORK / PROFESSIONAL EXPERIENCE

Explorecrystalveey

Lekki, Lagos

*Product Owner, Marketing Lead*

Jun 2024 - Present

- **Drove 30% increase in multi-user bookings** by leading go-to-market strategy for ExploreVault (group travel savings feature), executing product launches that directly contributed to revenue growth
- **Grew social media community by 41%** (from 8,000 to 11,300 followers) through consistent content strategy, engagement campaigns, and community management that amplified brand visibility
- **Attended and activated at travel expos, tourism events, tech events, and networking sessions** across Lagos to promote travel packages, connect with potential partners, and drive brand awareness in the travel community
- **Managed social media channels** (Instagram, Twitter, Tiktok) creating travel-focused content, running engagement campaigns, and responding to customer inquiries to build brand loyalty and generate revenue
- **Executed email marketing campaigns** including travel inspiration newsletters, booking reminders, and personalized trip recommendations that improved conversion and repeat bookings
- **Conducted market research and user interviews with 100+ travelers** to identify customer preferences, informing product positioning, messaging strategy, and content that improved user retention by 40%
- **Executed growth experiments and campaigns** including automated booking flows and curated travel packages that increased trip conversion rates by 25% and reduced drop-offs
- **Created user-facing marketing content** including travel guides, email campaigns, social media posts, and support documentation that reduced customer inquiries by 35%

- **Collaborated with product, design, and customer support teams** to develop integrated go-to-market strategies, ensuring alignment between product capabilities and customer acquisition goals

## **Wholesquare**

**Lekki, Lagos**

### ***Product Manager, Growth Associate***

**Jul 2024 – Present**

- **Grew community from zero to 200+ users** within first 6 months by executing grassroots marketing campaigns, creator partnerships, and targeted outreach to youth communities across Lagos
- **Increased platform adoption rate by 35%** despite web-only format through strategic user onboarding optimization, email nurture campaigns, and continuous user education initiatives
- Led and organized **5+ community events** and activations including youth gatherings, creator meetups, and local experiences that drove brand awareness, user signups, and platform engagement
- **Attended and activated at 10+ local events** (festivals, tech events, campus activities, community gatherings) to promote the platform, distribute promotional materials, and drive on-the-ground user acquisition
- **Launched digital experiences feature** tailored to local events and activities, achieving 70% community growth and establishing Wholesquare as a go-to platform for youth-driven experiences
- **Executed email marketing campaigns** including welcome sequences, event announcements, and re-engagement flows that improved user retention and feature adoption
- **Managed social media strategy and content creation**, producing event highlights, user testimonials, and community stories that boosted brand visibility and organic reach
- **Delivered listings feature** for youth-driven events, optimizing user onboarding flows and discovery mechanisms that increased event bookings
- **Ran A/B tests on messaging, landing pages, and email campaigns** that refined core engagement features and improved conversion rates across the user journey
- **Partnered with creators and community leaders** to co-design monetization strategies, event collaborations, and brand partnerships that aligned with user needs
- **Analyzed user insights and engagement metrics** to identify growth opportunities, producing reports that informed roadmap priorities and marketing strategy adjustments

## **Lendsqr**

**Lekki, Lagos**

### ***Product Marketing Manager***

**Jun 2023 – Aug 2025**

- **Increased platform engagement by 35% and user retention by 20%** through data-driven product marketing campaigns and feature launches across digital lending products
- **Managed company social media presence**, creating educational fintech content, customer success stories, and product updates that increased brand awareness and community engagement
- **Attended fintech conferences, startup events, and networking sessions** to represent the brand, build industry relationships, and drive B2B partnerships that expanded market reach

- **Executed email marketing campaigns** including product onboarding sequences, loan application reminders, and educational content that improved feature adoption and user activation
- **Ran A/B tests and conversion experiments** on messaging, landing pages, and onboarding flows that improved completion rates by 25% and reduced loan application drop-offs by 18%
- **Developed and executed go-to-market strategies** for new product features, coordinating cross-functional teams to ensure successful launches and user adoption
- **Analyzed customer behavior and product performance metrics**, producing quarterly reports that influenced feature prioritization and directly impacted user acquisition strategy
- **Created product marketing collateral** including case studies, feature announcements, email campaigns, and social content that drove feature adoption and user education
- **Reduced recurring user complaints by 22%** through proactive communication, product improvements, and customer education initiatives that enhanced satisfaction and lifetime value

**Mbag Microfinance Bank**

**Lagos, Nigeria**

***Product Marketing Manager***

**March 2024 – March 2025**

- **Contributed to 40% improvement in transaction speed** through marketing and adoption campaigns for MQ, a QR-based instant payment product that achieved rapid early user adoption
- **Managed social media strategy and content creation** for banking products, educating customers on features and driving product awareness through engaging financial literacy content
- **Participated in banking industry events and merchant activation sessions** to promote MQ payment solution, onboard merchants, and boost brand visibility in Lagos business community
- **Executed targeted email marketing campaigns** including transaction receipts, feature tutorials, and promotional offers that increased transaction frequency and user engagement
- **Increased successful transaction completion by 28%** by creating user education content, in-app messaging, and tutorials that improved understanding of core banking features
- **Conducted user interviews and funnel analysis** to identify messaging gaps and drop-off points, implementing communication improvements that reduced failed transactions by 20%
- **Developed customer-facing content** including how-to guides, FAQs, video tutorials, and social media posts that improved product adoption and user confidence
- **Tracked key performance indicators** including transaction success rate, daily active users, feature adoption, and social engagement, sharing actionable insights with stakeholders
- **Collaborated with customer support teams** to create proactive communication strategies that reduced escalated support tickets by 25%
